Iowa Health and Wellness Plan Member to Begin Receiving Contribution Statements:

Over the next week, certain Iowa Health and Wellness Plan members will begin receiving contribution statements. These statements are the first live bill, which requests payment be made. Statements will be sent to individuals who initially enrolled in the program in January and February 2014, and have had 12 full months to complete the Healthy Behaviors. Completion of Healthy Behaviors waives contributions for the future 12 months of enrollment. Statements will be sent to approximately 16,600 members.
